Research in Distance Education Conference 28, 29 M

Presentation
Designing and
evaluating an
innovative approach to
teaching artificial
intelligence and
creativity.
CODE funded study

Scholar, Leo Havemann, University College London/Open University

16.15 – 16.45 CODE book launch and reception
The C... tre.. Online and ...st n...

RIDE Conference
Wednesday 29 March 2023

Practice Focus

09.00- 09.30 Registration and refreshments . MacMillan Hall

09.30– 09.35 Welcome from CODE. Beveridge Hall

09.35 – 10.50 Keynote and World Cafe. Beveridge Hall
Researching Blended Learning
Dr Melissa Highton
University of Edinburgh

10.50 - 11.10 Break

11.10 – 12.20 Parallel Sessions

Building Student Communities	Strategies for sustainability	Communities of practice	Designing for learning
Room G3 Link Chair: Sam Ahern Tech Chair: Ryhan Sadeth	Room G4 Link Chair: Anita Skinner Tech Chair: Stephen Brown	Room G5 Link Chair: Christina Howell-Richardson Tech Chair: Andrew Wong	Room G16 Link Chair: Nichola Gretton Tech Chair: Matt Philpott
Presentation Building community for distance learning students using interactive online tutorials. Megan Argo, University of Central Lancashire *2656*	Presentation Keeping things current: How to develop and sustain effective course maintenance. Tariq Ismail, Ellie Hedger, Alysia Bastock, Coventry University Online *1014*	Presentation Digital confidence: often mentioned, rarely explored. Rosemary Pearce, Rachel Bancroft, Rachel Challen, Nottingham Trent University *4418*	Presentation Asynchronous online learning and teaching in practice: Principles of programme design, teaching, and study support. Enrico Reuter, University of York *8637*
Lightning Talk How the pandemic changed the usage of the VLE into a more flexible and inclusive learning environment – practice and implementation tips.
