assessed, the specific environment or location that is permitted and the time allowed for the assessment.

All assessments are submitted online via a University of London platform.

[Programme Handbook](#): This tells students how to access available resources and assessment and examinations procedures.

Course subject guides for each course studied; these introduce and develop the topics.

[The Online Library](#): This provides a range of full-text, multidisciplinary databases where journal articles, book reviews and reports can be found.

University of London library: Registered students can use the resources located within the Senate House library.

A University of London email account and web area for personal information management.

Quality evaluation and enhancement

The University of London delivers the majority of its online and distance learning programmes through a collaboration between the University of London Worldwide and University of London federation members. However, some of the flexible and distance learning programmes draw solely on academic input from the University of London and are

Alumni are encouraged to keep in touch after they graduate and to become active members of the alumni community; in return they receive a number of benefits and services, including an extensive programme of events and engagement opportunities.

More information is available on the alumni [webpage](#).
