Computer Science Fee Schedule

BSc Computer Science (all awards)	
Graduate Diploma Computer Science (all awards)	
Graduate Certificate Computer Science (all awards)	
Module continuation fee (per continued module)	£234
UK	
15 credit module for web-supported learning	£636
30 credit module fee for web-supported learning	£1,272
15 credit module fee for institution-supported learning	£375 TJET@MC

You should also budget for the fee charged by your local examination centre. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre and you should contact your proposed examination centre(s) for details of their fees to factor them in to the overall cost of completing the programme. Using this link, you can find contact details for all our [examination centres](#). The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £87 per sitting when using London examination centres.

Additionally, you should also budget for the fee charged for local tuition (where available) by your University of London Recognised Teaching Centre if you take modules with institution-supported learning.

**From 2022/23, the University may charge an online examination administration fee of no more than £10 for each examination paper held online. This fee will be charged at the point of exam entry and is in addition to the module fees as advertised for your programme.

H G

The published fees associated with this programme of study do not include the cost of any additional hardware or software purchased. Students are responsible for budgeting for this requirement.

Certain modules may have additional software requirements and students should have the necessary admin rights in order to be able to install new software on their computer. Any software required will always be freely available and compatible with Windows and
