Web supported	Programmes where students are supported online, mostly with the assistance of online tutors. Sometimes as 'online taught'.

3.2 There are other regulations, policies and procedures which apply to your registration (or continuing registration) at the University and your Programme.

General Regulations

Programme Regulations

Refund and Compensation Policy

Terms and Conditions distance and flexible learning programmes

4 Se t ng and changing fees

4.1 Fees are reviewed annually and are published on the Course fees webpage. The fees you will be required to pay in the following Academic Year will be published in the spring of the preceding Academic Year.

4.2 University of London distance and flexible learning programmes allow students to study flexibly over an extended period. Therefore, it may be necessary to make changes to fees, rules and policies during your period of registration.

4.3 All fees may typically increase by up to 5% each Academic Year.

As an example, if you pay module fees on your programme and your module fee in 2024-25 is £1000 then your module fee in 2025-26 will typically increase to be £1050.

You should consider how many modules you take each year and the additional costs you may be charged. See section 6 and Appendix A.

5 Which fees apply

5.1 The fee and the fee types you pay will depend on a number of factors:

a) Your programme of study
b) The country in which you reside when you register for an academic year/ the module. This will be based on your residential address This must not be a temporary or work address. We reserve the right to request evidence of your residential address. See 'UK Residents' for further information on UK Tuition Fee Loans.
c) The type of support you receive as part of your programme.

6 Addi t onal costs

7.8 Generally, students whose fees are paid by sponsors will be expected to correspond directly with their sponsor regarding Programme Fees. The University can provide an invoice, if needed, upon request.

7.9 When we receive your payment, we will give you a registration date that marks the beginning of your registration period with us.

UK Residents

7.10 Information about loans for UK residents can be found here. Some courses have a different fee for UK residents.

8 Programme fees: BSc Computer Science programmes

The Programme Fees below refer to the October 2024 and April 2025 session only.

BSc Computer Science (all awards) **Graduate Diploma Computer Science (all awards)** **Graduate Certificate Computer Science (all awards)**	
Application fee (non-refundable)	£60
Band A countries	
15 credit module for web-supported learning	£514
30 credit module fee for web-supported learning	£1,028
15 credit module fee for institution-supported learning	£343
30 credit module fee for institution-supported learning	£686
Module continuation fee (per continuation module)	£257
Band B countries	
15 credit module	

The module fee is payable once per module and includes access to study materials and entry into the assessments (written examination, coursework and project, as applicable) associated with the module.

The module fee is determined by:

a) whether you choose either institution-supported learning (where available) or web-supported learning, *and*
b) the country in which you reside when you register for each module (countries are classified into three categories: Band A or Band B, or United Kingdom).

Note: If you choose institution-supported learning, you cannot also buy web-supported learning. If you choose to defer an examination or need to re-sit an exam, you will pay the module continuation fee (see below) and will receive web-supported learning.

The module continuation fee is payable when you do not complete a module in the session that you have selected, by the published deadlines, and have to do one or more of the following:

a) submit or resubmit a coursework or project element for a module that you have failed;
b) take or retake an examination that you have deferred or failed.

The module continuation fee includes access to study materials, web-supported learning and entry into assessments.
