4.1 Fees are reviewed annually and are published on the Course fees webpage. The fees you will be required to pay in the following Academic Year will be published in the spring of the preceding Academic Year.

4.2 University of London distance and flexible learning programmes allow students to study flexibly over an extended period. Therefore, it may be necessary to make changes to fees, rules and policies during your period of registration.

4.3 All fees may typically increase by up to 5% each Academic Year.

As an example, if you pay module fees on your programme and your module fee in 2024-25 is £1000 then your module fee in 2025-26 will typically increase to be £1050.

You should consider how many modules you take each year and the additional costs you may be charged. See section 6 and Appendix A.

Where the University is required to add GST or any other sales tax or statutory charges at the local statutory rate, this will be added to the fees shown during the payment process.
