BA History Fee Schedule

In addition to the Programme Fees payable to the University, you should budget for textbooks (this may well be in the region of £300 per year if you are taking four modules in one year) and tuition costs (if studying at a Recognised Teaching Centre).

You should also budget for the fee charged by your local examination centre where applicable. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre and you should contact your proposed examination centre(s) for details of their fees to factor them in to the overall cost of completing the programme. Using this link, you can find contact details for all our [examination centres](#). The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £87 per sitting when using London examination centres.

*The University will charge an online examination administration fee of £10 for each examination paper held online. The fee is in addition to the exam entry fees as advertised for your programme.
