The University is required to add Goods and Services Tax (GST) to certain fees paid by students resident in certain countries. Further information can be found on our [web page](#).

All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students residing in the UK, our fees are exempt from VAT.

You must pay the fee for at least one module to be registered with us.

If you wish to pay all the module fees of the MSc upfront, you can pay the full MSc course fee.

When we receive your payment, we will give you a registration date that marks the beginning of your registration period with us.

and deadlines for taking examinations and submitting coursework and projects.

Where applicable, you are required to pay the following Programme Fees in full:

The module fee is payable once per module and includes access to study materials and your first entry into the assessments associated with the module.

The full MSc course fee is payable when you first register on the programme and includes access to study materials and your first entry into the assessments associated with each module.

The module and full MSc course fees are determined by the country in which you reside when you register (countries are classified into two categories: [Band A and](#)

Generally, students whose fees are paid by sponsors will be expected to correspond directly with their sponsor regarding Programme Fees. The University can provide an invoice, if needed, upon request. Materials will not be despatched and VLE access will not be available until Programme Fees have been received.
