Please see below for further information about additional costs you may be required to pay.

You will be charged £87 per sitting when using London examination centres.

The University is required to add Goods and Services Tax (GST) to registration and module/course fees paid by students residing in certain countries. Further information can be found on our [web page](#).

All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students resident in the UK, our fees are exempt from VAT.

Programme Fees may be paid in one of two ways:

Either

1. A single payment when you initially register for the programme covering the registration fee and all module fees for the MSc degree, PGDip or for a stand-alone Individual module. The deadline for payment in this way is 30 September.

Or

2. At your initial point of registration, the registration fee plus the fees for the modules you select to study in the first year. To complete your registration, you must pay at the same time both the registration fee and the fee for at least one module.

In subsequent years, only the fees for any new modules or the project, as applicable, are payable. Students who choose to pay in this way must pay the relevant fees by 30 September.

The registration fee is payable in order to be registered with the University as a University of London student.

The module fee is payable once per module and includes the first entry for the examination. It does not apply to the project module.

For the MSc, the project module fee includes the first year of supervision, first entry for the examination and the first dissertation submission.

Additionally, where applicable, you may be required to pay:

A resubmission of project dissertation fee if you are resubmitting the dissertation. A fee is payable for continuing a project into a second or subsequent year with reduced supervision. A fee is payable for continuing a project into a second or subsequent year with full supervision. There is no fee for continuing a project into a second year and receiving the balance of remaining supervision on the same or a related topic.
