Additional costs

You should also budget for the fee charged by your local examination centre where applicable. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre and you should contact your proposed examination centre(s) for details of their fees to factor them in to the overall cost of completing the programme. Using this link, you can find contact details for all our [examination centres](#). The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £87 per sitting when using London examination centres.

**The University will charge an online examination administration fee of £10 for each examination paper held online. The fee is in addition to the exam entry fees as advertised for your programme. You should also budget for the costs associated with module PGM651 Petroleum Systems for which there is a compulsory residential school session at Royal Holloway and a field trip in southern England. The full cost of the field trip will be approximately £1,200 including transport in the field, accommodation each night, and breakfast each morning. This estimate does not include the cost of travelling to the UK from overseas should you need to, or the cost of arranging a visa should you require one.

Goods and Services Tax (GST)

The University is required to add Goods and Services Tax (GST) to registration and module/course fees paid by students residing in certain countries. Further information can be found on our [web page](#).

All Programme Fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students residing in the UK, our fees are exempt from VAT.

What to pay

Programme Fees may be paid in one of two ways:
