Professional Graduate Certificate in Education: Teacher Development Fee Schedule

Registration and module selection

You must pay the fee for at least one module to be registered with us.

If you wish to pay as you go, the modules are sequential and you must register for module one first. You can only register for one module in each session.

When we receive your payment, we will give you a registration date that marks the beginning of your maximum five year registration period with us.

and deadlines for submitting coursework and projects.

If you wish to pay all the module fees for the Professional Graduate Certificate (two modules), you can make a single payment by selecting both modules when you first register.

What to pay

Where applicable, you are required to pay the following Programme Fees in full:

The module fee is payable once per module and includes access to study materials and entry into assessments (written examination, coursework and project, as applicable) associated with the module.

The module fee includes one resit attempt.

When to pay

The Programme Fees above refer to modules which commence in the September 2022 and March 2023 sessions and are effective from 1 January 2022.
