See details below for costs you may incur with parties which are external to the University of London, for example examination centre charges and locally imposed taxes. You should budget for these accordingly.		

* the full course fee includes all module and continuation fees payable to the University of London for the duration of your study, as well as online tutor support. This fee does not include applications for Recognition of Prior Learning, local exam centre fees and fees payable to a University of London Recognised Teaching Centre, if applicable.

x

to study it (this selection can be changed before the session starts).

x

and deadlines for taking examinations and submitting coursework and projects.

In addition to the Programme Fees payable to the University, you should budget for textbooks (this may well be in the region of £300 per year).

You should also budget for tuition costs if studying at a recognised teaching centre.

The University is required to add Goods and Services Tax (GST) to registration and module fees paid by students resident in certain countries. Further information can be

Programme Fees are subject to annual revision and typically may be increased by up to 5% per annum.
